

Make Your Next Business Event An Experience

The Engineers Club of Dayton provides spacious yet functional accommodations for a wide range of business, corporate, seminar and workshop events and meetings. Whether your event is large or small draw on the inspiration and historical significance that lives within our walls to make your next gathering something beyond the ordinary. In addition to meeting rooms that can accommodate from four to 350 people comfortably we provide turnkey services that include:

- Free high speed wireless internet
- 350-seat auditorium with stage
- Event planning services
- Conference calling
- Presentation tools

- Free parking
- Full service catering
- Audio visual
- Copy machine and fax
- Breakout session rooms
